Fiftieth session
SECOND COMMITTEE

ORGANIZATION OF WORK OF THE SECOND COMMITTEE

Note by the Secretariat

Allocation of items

1. The agenda items allocated by the General Assembly to the Second Committee are listed in the letter dated 22 September 1995 from the President of the Assembly to the Chairman of the Second Committee (A/C.2/50/1). Background information on those items may be found in the annotations to the agenda (A/50/100).

Programme of work

2. The draft programme of work (see annex) has been prepared bearing in mind paragraph (b) of rule 99 of the rules of procedure of the General Assembly, the organizational arrangements agreed upon by the Assembly at the outset of its current session (A/50/250) and the availability of documentation. The number of meetings suggested for the general discussion of the agenda items allocated to the Second Committee is based on past experience.

List of documents

3. Attention is drawn to the list of documents submitted under the various agenda items allocated to the Second Committee, which has been issued in an addendum to the present document (A/C.2/50/L.1/Add.1/Rev.1). The draft programme of work should be read in conjunction with the list of documents in order to obtain a full picture of the scope of the Committee's work programme.

Length of statements

4. In recent years, the Second Committee decided to limit statements on all agenda items, with the exception of the general debate, to 10 minutes and to limit statements during the general debate to 15 minutes.

Conference facilities and meetings arrangements

5. Taking into account the availability of conference services for the Main Committees of the General Assembly, an average of six formal meetings a week have been scheduled for the Second Committee. Unless otherwise specified, meetings will be held at 10 a.m. and 3 p.m. In addition there will be no possibility of meetings beyond 6 p.m. or of night meetings. In this connection, the General Assembly decided to remind delegations that punctuality is of the utmost importance in the interest of ensuring effective and orderly organization of work and achieving economies for the United Nations. As decided by the General Assembly, the requirement of the presence of at least one quarter of the members of the Committee to declare a meeting open and permit the debate to proceed has been waived.

Informal consultations

6. In view of the financial measures affecting conference services, there will be little or no possibility of servicing informal consultations or working groups, or meetings of regional or other groups of Member States other than through utilization of the quota of formal meetings allocated to the Second Committee. As a result, as indicated in the programme of work, some of the formal meetings allocated to the Second Committee will be utilized for informal consultations.

Report of the Economic and Social Council

7. The Committee is reminded that, in accordance with a decision of the General Assembly, chapters of the report of the Economic and Social Council are to be considered in company with other agenda items, as well as under item 12. The list of documents (see para. 3 above) contains further information on this procedure.

Conclusion of the work of the Committee

8. Bearing in mind the allocation of the number of meetings available to the Second Committee, it is proposed that the Second Committee set a target date of 1 December for the conclusion of its work.
